(myaccount.google.com).

## Why we process it

We process this data for the purposes described in [our policy](#), including to:

- Help our services deliver more useful, customised content such as more relevant search results;
- Improve the quality of our services and develop new ones;
- Deliver personalised ads, both on Google services and on sites and apps that partner with Google;
- Improve security by protecting against fraud and abuse; and
- Conduct analytics and measurement to understand how our services are used.

## Combining data

We also combine data among our services and across your devices for these purposes. For example, we show you ads based on information from your use of Search and Gmail, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.
